

# ATHLETE NETWORK ACCESSIBILITY POLICY

---

Athlete Network's policy regarding our technology is to ensure that all of our services and resources, based on this technology, are accessible to all members regardless of disability.

Athlete Network's good faith accessibility initiative is as follows:

- Hold all current and future technology road map items to the [VPAT standards and guidelines](#).
- Implementation of universal design standards informed by [VPAT standards and guidelines](#).
- Follow the Web Content Accessibility Guidelines (WCAG).

While Athlete Network is working hard with our accessibility initiative, in the interim, our career coaches are available to ensure all members, regardless of disability, can access all of our services through our [Game Plan](#).

If you have any questions about our accessibility policy, please contact us at [info@athletenetwork.com](mailto:info@athletenetwork.com).
